SUMMARY

B.Tech Computer Science & Engineering (Data Science) student with hands-on internship experience in Python backend development, database migration, and data science. Skilled in Python, Flask, PostgreSQL, and SQL. Led a 16-member team at DITS. Strong foundation in data preprocessing, visualization, and machine learning. Open to internship opportunities.

TECHNICAL SKILLS

Languages & Web: Python, Java, C, C++, JavaScript, HTML5, CSS3, Flask

Data Science: NumPy, Pandas, Matplotlib, Scikit-learn, Jupyter Notebook

Databases: MySQL, PostgreSQL, Microsoft SQL Server

Tools & Concepts: Git, GitHub, VS Code, Linux, REST APIs, OOP, Agile, SDLC

PROFESSIONAL EXPERIENCE

Database Migration Intern — Dinesh IT Systems (DITS), Kannur

June 2026

- Built backend components of a SQL migration engine using Python Flask and PostgreSQL; contributed to schema conversion and migration validation workflows.
- Led and coordinated a team of 16 members — assigned tasks, tracked progress, and ensured on-time delivery across the internship project.
- Gained hands-on experience with agile processes and end-to-end software development lifecycle.

Python for Data Science Intern — Neovent Innovations

June 2025

- Worked with NumPy and Pandas for data manipulation; performed data cleaning and exploratory data analysis on real-world datasets.
- Created visualisations using Matplotlib; applied fundamental machine learning concepts using Scikit-learn.

PROJECTS

SQL Migrator · Python | Flask | MySQL | PostgreSQL | JavaScript

github.com/sql-migrator-team/SQL-MIGRATOR — Web-based platform for converting and validating SQL schemas across multiple database systems; built during DITS internship.

Smart Banking System · Java | OOP | Backend

github.com/T-ARK/Smart_Banking_System — Banking application with account management, transactions, and secure workflows built using OOP principles.

EDUCATION & CERTIFICATIONS

B.Tech — Computer Science & Engineering (Data Science)

Expected 2028

St. Thomas College of Engineering & Technology, Mattannur, Kannur, Kerala

Certifications: Python for Data Science — Neovent Innovations (2025) • Database Migration Internship — DITS (2026)

Languages: Malayalam (Native) • English • Hindi • Tamil
